Dear Principal:

Recently, the Arizona Department of Education (ADE) released the Adequate Yearly Progress (AYP) determinations for all schools and districts as required by the *No Child Left Behind Act* (NCLB). **ADE records indicate your school did not make AYP and is identified in Title I School Improvement – Warning.**

Once a Title I school is identified for improvement, it must make AYP the following year (Spring 2009) in the same indicator before it is removed from improvement status. Consequences escalate for each subsequent year of not making AYP in the same indicator, and your school will move from Title I School Improvement – Warning to Title I School Improvement – Year 1.

**Please note that you may appeal this school improvement label, but you should *register for and attend the School Improvement and Intervention Warning Year Forum if you are planning to apply for the Title 1 School Improvement Warning Grant.***

**Acquiring the Warning Year Grant necessitates that the school principal and selected personnel (one or all of the following: Federal Programs Coordinator and/or two staff School Improvement team/staff members) attend a School Improvement and Intervention Warning Schools Fall Process Forum.**

**The registration link is:** <http://www.ade.az.gov/online/registration/calendar/RenderCalendar.asp>.

**If your school improvement appeal is successful, you will be able to cancel the forum registration without cost to your school.**

As a result of being identified in need of improvement, your school is eligible for a \$10,000 **"2009 Title I School Improvement – Warning Grant"** to assist in writing and to begin implementing an Arizona School Improvement Plan (ASIP).

**Should you seek the \$10,000 The 2009 Title I School Improvement – Warning Grant,** the immediate requirements for your school are:

The following information describes school improvement responsibilities in more detail.

## ARIZONA SCHOOL IMPROVEMENT PLAN

The first step in the improvement planning process is to involve as many stakeholders as possible in a comprehensive needs assessment, utilizing the Standards and Rubrics for School Improvement. This instrument may be downloaded from ADE's website: [www.ade.az.gov/schooleffectiveness/STDSRUBRIC.pdf](http://www.ade.az.gov/schooleffectiveness/STDSRUBRIC.pdf). Schools should then review the evidence gathered to determine the strengths and limitations and write goals with supporting strategies based on this evidence to assist the school in making AYP. The ASIP is designed to assist schools in using data to target all academic and/or non-academic goals to specifically address the reason(s) for not making AYP. The web-based ASIP is available online via IDEAL web portal at [www.ideal.ade.az.gov](http://www.ideal.ade.az.gov)

## PARENT NOTIFICATION

A district/charter holder shall promptly provide parent notification of each student enrolled in an elementary school or a secondary school identified for school improvement. **The required components of the parent notification** include:

- an explanation of what the identification means, and how the school compares in terms of academic achievement to other elementary schools or secondary schools served by the district/charter holder involved and the state;
- the reasons for the identification;
- an explanation of what the school identified for school improvement is doing to address the problem of low achievement;
- an explanation of what the district/charter holder is doing to help the school address the achievement problem;
- an explanation of how the parents can become involved in addressing the academic issues that caused the school to be identified for school improvement.

The required template letter and the instructions to compare the school's academic performance may be found at: <http://www.ade.az.gov/asd/Title1/AccountabilityGrants/supportdocs/default.asp> (Under Tab 4)

Questions regarding the Title I School Improvement process may be directed to Douglas Price, Director of Title I School and District Improvement at 602-542-1562 in the Title I School Improvement Unit.

Sincerely,

*Kimberly Allen*
